STATEMENT OF COMPLIANCE

As a community of faith we strive to extend a generous welcome to all who enter our doors and treat them with the love and dignity that God bestows upon each and every one of us. We want our church to be a safe place for everyone.

Unfortunately, we cannot simply assume that our church is a safe place. We must take intentional and direct actions to ensure that it is safe. The Safe Church Committee wants people of all ages to deepen their relationship with God and each other in an environment that is safe and secure. This includes an environment where the vulnerable are protected and opportunities for inappropriate behavior are eliminated.

More information on keeping ministries safe can be found at www.reducingtherisk.com.

To indicate your understanding and compliance with these conditions, please initial each of the paragraphs below, sign and date at the bottom and return to the Church.
